This shareholding pattern is filed as directed by the stock exchange authorities pending approval of recommencement and listing application made by the Company.

. This shareholding pattern is filed as a per the reduced capital vide with NCLT order.

Recommencement application is pending with the stock exchanges.

Explanations as below;

Upon the application of financial creditors of the Company, a Corporate Insolvency Resolution Process (CIRP) against the Company was initiated vide order of Honble National Company Law Tribunal, New Delhi, dated April 12, 2019. During the CIRP process, Waaree Energies Limited (Waaree), submitted a resolution plan for acquisition of Indosolar Limited. Such Resolution Plan was subsequently approved by Committee of Creditors on February 14, 2020. Subsequent thereto, the Hon'ble National Company Law Tribunal, New Delhi, approved the resolution plan filed by Waaree on April 21, 2022.

The resolution plan provides for reduction of capital of existing shareholders to the extent of 99% of issued and paid up capital of the Company. Further the resolution plan provides for extinguishment of entire paid up capital held by Promoters of the Company. The current management has undertaken the process of reduction of capital and further extinguishment of capital of erstwhile promoters by making necessary applications to the stock exchanges which are currently pending. Further as per resolution plan, Waaree has been allotted fresh shares in the Company amounting to 96.15% of total issued and paid up capital of the Company. The listing approval of such allotment is also in process.
